Thomas Steele isn’t just about manufacturing. We are about designing and engineering handcrafted, durable, and environmentally friendly outdoor commercial furniture that everyone can enjoy whether they are at work or at play.

Each table, bench, litter receptacle, or planter is handcrafted at our plant in Waunakee, Wisconsin, and always represents our highest quality of work. Committed to sustainability, we’re proud to craft our commercial outdoor furniture products from steel produced in the U.S. with up to 90% recycled material.

When you want quality, impressive designs, and long-lasting site furnishings, turn to Thomas Steele. Our products ensure beautiful functionality and exceptional performance year after year, even in the harshest environments.

For more than 30 years, we have been creating site furnishings that are stylish, sustainable, and support bike and pedestrian-friendly communities. Located in the Midwest, we take pride in our efficient ordering, friendly customer service, on-site manufacturing, and speedy shipping processes that deliver your products right on time.

The e-Steele Difference
At Thomas Steele, we undercoat our site furnishings using state-of-the-art e-coating with an epoxy resin water-based paint and zinc phosphate for a process that produces a highly durable coating. When coupled with our electrostatically applied polyester top coat, e-Steele™ will withstand a highly corrosive environment for the ultimate levels of protection and performance. This is why Thomas Steele can offer an unsurpassed industry-leading five-year warranty.

Environmental awareness is another reason to e-coat. The e-Steele™ process is environmentally friendly because it produces no HAPs (hazardous air pollutants), ultra-low VOCs (volatile organic compounds), and is OSHA and EPA compliant as well. E-coat systems recycle, too! Virtually all unused paint is recovered and put back into the system.

Note: Due to variations in the printing process, colors shown may not be an exact match. Please request color samples from Thomas Steele for accurate color comparisons.

Standard e-Steele™ colors are shown. Contact Thomas Steele for a complete color chart.

Standard Powder Coat Finishes
- Black
- White
- Grey
- Forest Green
- Midnight Blue
- Zest Green
- Red
- Berry
- Bronze
- Platinum
- Storm Metallic

Recycled Plastic Colors
- Cedar (RPC)
- Grey (RPG)
- Brown (RPB)
- Weathered Redwood (RPW)

Recycled Plastic: (RP) and (ER)
High-density polyethylene material (HDPE) made from post-consumer recycled plastic containers. Material is graffiti and UV resistant and ideal for outdoor use. Material will not crack or rust.

NEW!
Embossed Recycled Plastic Colors
- Birchwood (ERB)
- Driftwood (ERD)
- Mahogany (ERM)
- Walnut (ERW)

Wood
Ipe: (WI)
Pronounced “ee-pay,” this olive-brown wood from South America weathers to a beautiful silver grey. Three times harder than oak, ipe is the perfect choice for outdoors, where it resists weather, heavy use and vandalism.
At Madrax, we believe in the power of vision: to imagine, to inspire and to create. We are a premiere maker of heavy-duty, high-quality bicycle security that is innovative, practical and aesthetically pleasing. Our standards are rigorous, and each of our bicycle systems undergoes stringent quality testing before we put our name on one. It’s the way we’ve done it now for over 30 years, and it’s why Madrax is increasingly the bicycle security solution of choice worldwide. We are committed to being great at what we do, both for our customers and our product.
TERMS AND CONDITIONS
All orders must be in writing and are subject to acceptance by Graber Manufacturing, Inc. All prices are FOB Graber Manufacturing’s factory in Waunakee, Wisconsin and are in U.S. dollars. Prices are subject to change without notice. Shipments will be made at prices prevailing at the time of the shipment.

Net is due 30 days from date of invoice when buyer is a tax-supported government entity or a company with approved credit. Buyers without approved credit must submit full payment with the order. Service charge is 1-1/2% per month on all invoices after 30 days. Graber Manufacturing also honors American Express, Master Card and VISA when placing an order. Credit or Debit cards cannot be used for payment of invoices previously granted 30 day terms. Graber Manufacturing reserves the right to change terms if necessary.

Graber Manufacturing, Inc. reserves the right to discontinue or change the design and specification of units, and to ship the revised product without notice when such changes have been made.

For additional terms and conditions contact your local Thomas Steele representative or Graber Manufacturing, Inc.

LIMITED WARRANTIES
Thomas Steele division of Graber Manufacturing, Inc., (“Thomas Steele”) warrants products it manufactures against defects in material or workmanship for a period of five years from the date of invoice. Components that are wood or cosmetic in nature are warranted against defects in material or workmanship for a period of one year from the date of invoice. Splitting, checking, and warping of wood are natural occurrences of wood and are not covered by this warranty. Components that are recycled plastic are warranted against rotting, splitting or cracking for a period of twenty years from the date of invoice. Thomas Steele warrants the steel framework it manufactures for benches, tables, planters, and trash receptacles against structural failure for a period of twenty years from the date of invoice. Superficial wear or damage such as scratches, nicks or dents caused by normal wear and tear are not covered by this warranty. These warranties do not cover any defects or failure due to vandalism, negligence, abuse, accidents, lack of maintenance or improper installation. Unless previously approved, in writing by Graber Manufacturing, Inc., this warranty does not cover any defects or failure due to products tampered with or altered, modified or repaired by anyone. This warranty does not cover items manufactured by other companies, such as umbrellas.

For additional specific conditions and limitations contact your local Thomas Steele representative or Graber Manufacturing, Inc.

Spending a few minutes at our website can save you hours of research. Cut your specification writing time while getting the best outdoor site furnishings.
